

SCHOOL UNIFORM POLICY

The Department of Education supports the wearing of school uniforms by students and the upholding of high standards of dress by students. The Department of Education expects students to wear the uniform during school hours, **while travelling to and from school, and when engaged in school activities out of school hours**. They are expected to *maintain a neat appearance, including adhering to the requirements of the school's uniform or dress code policy*. This school's community has determined that Ku-ring-gai High School is a uniform school and all students are expected to wear the regulation uniform set out in this policy. The uniform policy, for both the junior and senior school, was developed after much consultation with the parent community. The Ku-ring-gai High School uniform reflects school community standards and expectations.
