High School**

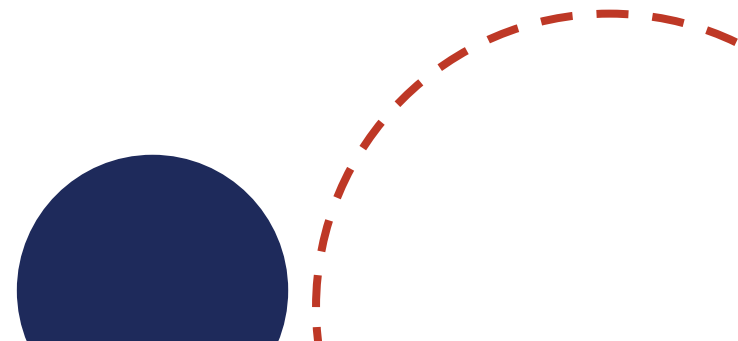

Welcome

Year 7, 2022 Parents and Caregivers

We acknowledge the Traditional Owners of the land, and peoples on whose land we now learn together; we pay our respects to the Elders past and present.

A better understanding and respect for Aboriginal culture develops an enriched appreciation of Australia's cultural heritage and is essential to the maturity of Australia and is fundamental to the development of an Australian identity.

Tonight's agenda:

- Relieving Principal - Dennielle Woskanian
- Deputy Principal - Trudy Taylor
- Year Adviser - Jackson Redshaw
 - Orientation Day 2022
 - Information and forms to complete
 - Recommended Technology (minimum device specifications)
 - Talent Enrichment Program (TEP)

Welcome Year 7, 2022

We can't wait to welcome Year 7, 2022 to Ku-ring-gai High School.

Going to high school will be a new experience for your child. The high school is likely to be much bigger than your primary school and your child may feel a little insecure at first. However, it is also an exciting time with many opportunities and a broader curriculum. Ku-ring-gai High School is a **community** that values individual worth and contribution. Our school ensures excellent student-centered education with a positive focus on developing students through future-focused learning.

At Ku-ring-gai High School, we prioritise the wellbeing of all students and staff. We have a strong wellbeing structure to support our students. Our teachers and staff are all invested and committed to ensuring all of our students connect, succeed and thrive.

To assist students, parents, and caregivers with the transition to Ku-ring-gai High School, we facilitate a comprehensive transition program, including **Orientation Day** on **23 November 2021** and our Project Based Learning Transition Program which Year 7 students will take part in during their first three days of high school, February 1 - 3, 2022.

SCHOOL LOCKER CONTRACT 2022

I agree to the following:

- To pay an amount of \$60 for the right to use a locker for one school year.
- To ensure that I securely lock up my locker after every visit
- To pay for the replacement of the lock should it be damaged.
- Not to deface or damage the locker or the lock with writing or decorating with stickers, with one exception - that a timetable may be attached to inside of the locker with Blutack.
- To report all instances of vandalism towards the lockers or locks to the Locker Co-ordinator
- Not allow other students to use my locker
- Use of lockers is strictly for use of storing school related equipment. Any food or soiled clothing must be stored in bags or containers and only retained in the locker during the day, never overnight.
- Students are only permitted to access lockers during non-teaching times – before school, recess, lunch and after school

I understand that all risk and responsibility for items placed in lockers rests with the student. Neither the school or P&C shall be liable for any loss.

Random locker checks will be held during the school year.

I understand that failure to abide by this contract and its rules, may result in the loss of my locker and any monies already paid to the school.

All lockers are required to be emptied 1 week prior to the end of the school year.

Learning Support – Student Information

In order to provide the most appropriate learning support for those students who are experiencing difficulties with learning or behaviour, it is vital that school staff have access to information about each student's needs.

To achieve this, the Learning Support Team requests that parents/caregivers complete the following questionnaire regarding their child's specific needs. In addition, it is helpful if documentation such as reports, assessments, NAPLAN results etc. are provided to the school via email kuringgai-h.school@det.nsw.edu.au or delivered to front office.

Whilst access to such information is on a "need to know" basis and respects the sensitivity of any confidential issues, it is extremely useful if this information is conveyed to all your child's teachers so that appropriate learning adjustments can be made in all subjects.

Recommended Technology (minimum device specifications)

- Ku-ring-gai High School is a Bring Your Own Device (BYOD) school. Students will be able to bring a familiar personal device to school to use as their primary technological device. The school provides the ability to connect compatible devices to a filtered internet service.
- The school strongly recommends that students choose a sturdy laptop device to ensure that their BYOD maximises their learning experiences.
- The school infrastructure is setup in a Windows environment. While students can bring an Apple MacOS device, for connectivity and ease of use we recommend students use a Windows device.
- Devices with a stylus, a 2-in-1 device, are beneficial for use in Mathematics and Science.
- The document *“Recommended Technology (minimum device specifications)”* available on the school website can be printed and taken to a store where they can assist in choosing an appropriate device.

Talent Enrichment Program (TEP)

- The Talent Enrichment Program is a unique innovation that allows our students, in Years 7 to 10, to develop their talents, skills and interests.
- The Talent Enrichment classes run for 2 hours, once a week, on Tuesday afternoon.
- Students are encouraged to choose classes that will **build** on their existing capabilities, strengths and interests.
- This opportunity for extension enables students to develop a deep understanding, experience meaningful opportunities and create outstanding performances and art works. While there is an emphasis on creative arts based classes, there are also sports specialist classes and STEM programs.

2022 TEP choices will be available later in 2021, parents/caregivers will receive an email with instructions on how to make choices for Year 7, 2022.

Getting ready for #FirstDay2022

- Starting high school is an exciting time, for students and their parents/caregivers.
- From Day 1, there will be many changes to get used to including having a number of different teachers and different classrooms, often spread across a larger campus. Set class periods on particular subjects may also be of a longer duration than in primary school. Students carry around notes and books, sometimes heavy, from class to class (lockers are available at Ku-ring-gai High School).
- It's natural for students (and parents) to be anxious about the transition into high school. Talk positively to your child about the move to high school. Ask them what's exciting about high school. Does anything worry them?
- It's important to set routines and structures to ensure the transition to high school is as seamless as possible.
- The Wellbeing Team is here to assist students as they transition into high school and throughout their entire high school journey, from day one to graduation.

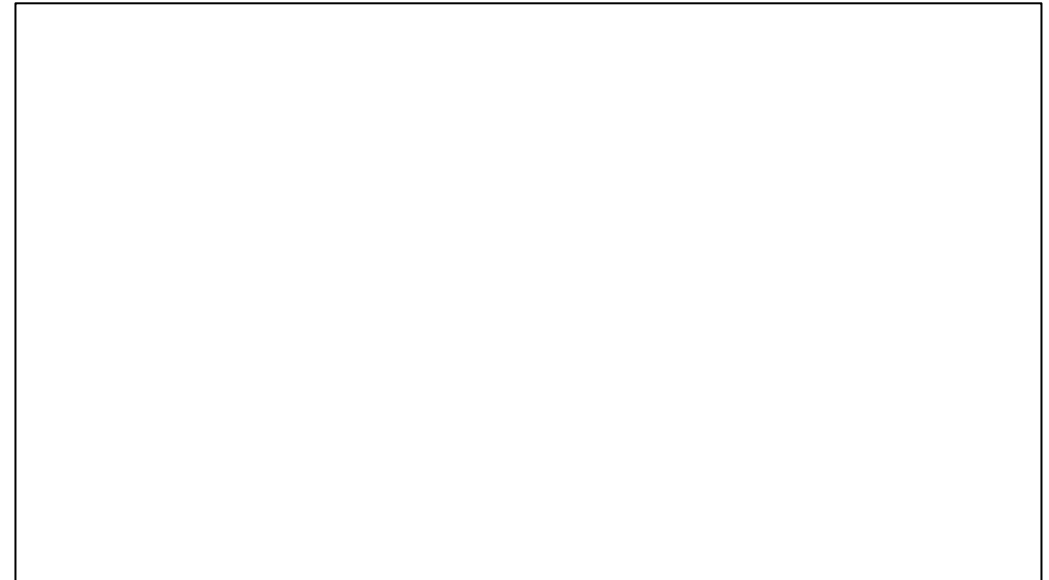

The image shows a digital checklist titled "Get ready for high school" from the NSW Department of Education. The checklist is organized into four main sections: "General checklist", "Getting to and from school safely", "Before you start", and "At high school orientation". Each section contains a list of tasks with checkboxes, such as "Talk positively to your child about the move to high school", "Participate in any transition to high school program available", and "Find out about school uniforms". A backpack icon is visible at the bottom right of the checklist.

The NSW Department of Education has a fantastic checklist that can assist in preparing for high school, available at:

Getting ready for #FirstDay2022

- To assist students with the transition to Ku-ring-gai High School, our Project Based Learning Transition Program will take place over the first three days of high school, **Tuesday 1 February – Thursday 3 February, 2022**. Students will commence timetabled classes on Friday, 4 February, 2022.
- Our Project Based Learning Transition Program is a STEM (Science, Technology, Engineering, Mathematics) challenge that enables our students to collaborate, innovate and become comfortable in their new learning environment.
- Throughout the three days our new students will also visit the library to learn how to borrow resources and connect to the internet. Our new students will also learn about their new teachers, getting around our school and their timetable.
- Students will be supported throughout the three days by their Wellbeing Team and Peer Support Leaders.
- Students to bring a pen, notebook, recess, and lunch.

Year 7 Wellbeing Camp

- As part of Year 7's transition into Ku-ring-gai High School our students take part in a three-day wellbeing camp at The Great Aussie Bush Camp – Tea Gardens.
- Year 7 Camp is an important milestone for our new students. An opportunity to **challenge themselves, make new friends, and begin to really feel part of Ku-ring-gai High School.**
- Year 7 students attend this camp whilst being supported by their new teachers and Year 10 Peer Support Leaders
- Camp will take place from Monday 21 February to Wednesday 23 February 2022 (Week 5).
- The cost of camp is \$332. Payment is required no later than Thursday, 10 February 2022.
- To participate in the excursion students will be required to wear appropriate clothing for active outdoor activities, including fully enclosed shoes, hat, and sun protective clothing, additional equipment is listed on the gear checklist available on the school website – Year 7, 2022 Orientation Information.
